DISCOVERY

PERSONA

Jane Miller
Nurse Supervisor

Jane Miller has been with Family Connects Springfield for the past 5 years serving as a Nurse Supervisor. Serving hundreds of families in her community, it's no surprise Jane spends much of her time searching for the latest referrals available. Jane also spends a lot of time playing middle person between nurses and various departments in the Springfield Health System— leaving less time to support nurses and families directly.

DISCOVERY:

USER STORIES

AS A...

Nurse
Supervisor

I NEED...

The ability to easily view
family transaction history

SO THAT...

I can find all relevant
